#### Shoreline Zoning Map Metadata:

This map is one in a series of 11 maps displaying generalized features of marine resources in Whatcom County marine waters. This map shows the County zoning classification of parcels within 1500 m of the marine shoreline. Seven general zoning codes are shown. (see legend) Note that City zoning codes for Blaine and Bellingham are shown as CITY. The County zoning data is from Whatcom County Planning. The data is plotted on the bathymetry base map.
